Regulation X. of 1819, that the Board of Customs, Salt and Opium, will, on account, renew a Rowannah or Rowannahs covering Salt, which Purchasers may have failed to clear out within Twenty-four Months from the day of its Sale, and that the Article will, in this case, be held forfeited to Government, unless proof be exhibited by the Purchaser or Purchasers thereof, to the satisfaction of the said Board, that the delay in removing the Salt from the Public Golahs arose from causes over which he or they had no control; and it is further declared, that no objections as to the quality of Salt, shall be received from any Purchaser unless the same shall be made within Twelve Calendar Months, from the day of the Purchase of the Salt, the quality of which may be objected to.

12. The Superintendent of the Sale shall be empowered to reject the Bid of any Individual, unless he shall, if required, tender, at the time of Bidding, a Deposit in Cash or Government Securities (at par for the principal amount only) of Ten per Cent. on the price of each Lot he may propose to purchase.

13. For the facility of the Purchaser or Purchasers, the said Board will grant Chars and Rowannahs authorizing the delivery of the above Salt to the Purchaser or Purchasers, or to the Bearers of such Chars and Rowannahs; and it is specially and distinctly declared, that the Assignee or Assignees of any Char and Rowannah shall be entitled to receive such quantity of Salt as may be specified in such Char and Rowannah, on application and delivery of the Char to the Salt Agent, to whom the same may be addressed, and that all Chars and Rowannahs will be recognized by the Board of Customs, Salt and Opium, as negotiable documents, inasmuch as if they were Government Promissory Notes, and similarly transferable.

14. It is to be understood by the Purchasers of Salt, under this Advertisement, that, in the event of any dispute or difference arising, touching or concerning any Purchase of Salt, under the foregoing Conditions of Sale, or touching any Covenant, Clause or Proviso as herein before contained, the same shall and may be tried, construed, determined, and decided, in and by the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

By Order of the Board of Customs, Salt and Opium, the
21st February, 1833,

4. The following Papers, together with Samples of the Opium to be sold, will be exhibited for the inspection of the Merchants on the day of Sale, or may be seen previously to that date, by application to the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificates of the Opium now Advertised for Sale.

No. 2. Reports of the Examination of such Opium.

5. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the Current Year, the same precautions have been taken as those which have been observed during the Thirty-four preceding Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.—The Instructions issued to the Agents relative to the Provision of the said Opium, together with an account of the Weight of the Drug when packed at Behar and Benares, and Statement of the average Weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

6. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

7. The Public are hereby informed, that in addition to the quantity of 6638 Chests of Behar and Benares Opium sold on the 20th December and 20th February last, and to the 2000 Chests now advertised for Sale, a further quantity of 2000 Chests will be brought to Sale this year on the 20th April next.

8. Application has been made by the French Authorities for the 200 Chests of Opium, deliverable to them under the 6th Article of a Convention between Great Britain and France dated 7th March 1815, in proportion of 100 Chests out of the Quantities declared for Sale at each of the Sales of the 20th December 1832, and 20th February and 20th March 1833, but in the event of the whole or any portion of the Opium thus claimed by the French Government not being cleared out within the limited period, such Quantity of Opium or any part thereof, as may remain

uncleared, will be brought to Sale at the Sale next ensuing the date of payment, or at a Sale to be held expressly for the purpose.

9. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sales, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character aforesaid, unless he shall tender at the time a Deposit either in Cash or in Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time hereinbefore-mentioned for making such Deposit as aforesaid; and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the United East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Re-sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium, for and on behalf of the said United East India Company.

The following Rules passed on this date, by the Right Honorable the Governor General in Council, are published for general information :

Rules empowering the Commissioners of Revenue and Circuit in the Lower and Western Provinces, to grant Leave of Absence to the European Officers, subject to their control.

1st. In conformity with the previous Orders of Government on this subject, it is to be distinctly understood that all Applications for Leave of Absence from persons in charge of Offices immediately subject to the control of a Commissioner of Revenue and Circuit, must be made to that Officer. All Applications from Joint Magistrates, Deputy Collectors, and Assistants, must be made to their immediate Superior, who will forward the same with any remarks he may think proper for the Orders of the Commissioner.

2ndly. The Commissioner is authorized to grant Leave, not exceeding one month in each official year, to the European Officers of all grades under his control, and to make arrangements for the conduct of the duties of the vacant office, and it will not be necessary to report each case to Government. The Commissioner will furnish Annual Statements, exhibiting the names of the persons to whom the indulgence has been granted, the several periods allowed, and the total number of days' Leave of Absence to each in the year. It is, however, to be understood, that an Officer absent from his Station for a continuous period of more than one month under Leave granted by a Commissioner, will be liable to a deduction of one-third from his Salary for the whole term of his Absence, although such term may not be in excess of one month in each of two official years.

3rdly. The Commissioner will use his discretion in refusing Leave; the inconvenience to the Public Service or the difficulty of providing for the duties of the office will be sufficient reasons for refusal, and the Commissioner should withhold the indulgence from persons whose public conduct may not, in his estimation, entitle them to his favorable consideration.

4thly. Applications for Leave not coming within Rule 2, must be submitted to Government by the Commissioner with his opinion in favor of or against compliance with the application, and in either case he will invariably state the arrangement he would propose for the conduct of the duties of the vacant office if the application should be sanctioned by Government. He will also on such occasions state whether any and what previous leave has been granted to the Applicant, within the official year by himself.

5thly. If an Officer should have been absent from his Station within the year, on sick certificate, or on leave granted by Government with or without such certificate, the Commissioner is not authorized to grant leave beyond the number of days to complete the one month.

6thly. The Commissioner will be careful to report to the Civil Auditor in every case the dates of granting leave, of its commencement, and of the resumption by the Officer of his duties, as also the arrangements which he may make for the charge of the vacant office during the period of leave given.

No. 585.

TO COMMANDERS AND SHIP OWNERS.

THE following Extract of a Letter from Captain D. Ross, Marine Surveyor General, describing the position of the Rock discovered by Captain PATRICK, Commander of the Ship *Nerbudda*, off Tree Island, is published for general information:

EXTRACT.

"I have the honor to state for the information of the Marine Board, that when off Sandoway, on the 10th instant, we met with the Ship *Nerbudda*, and from Captain Patrick I received a Memorandum stating that his Ship had struck on a Rock lying off Tree Island, and that after they had run off to the Eastward and anchored, the following morning, Tree Island bore N. W. b. W. estimated distance 10 miles and Foul Island bore S. b. E. $\frac{1}{2}$ E. b. I immediately went in search of the Rock, and next day found it to be the extremity of the Dangers, that run off Tree Island to the South Eastward, it bears from the centre of the Island S. 61° E. distant $4\frac{1}{2}$ miles, with 10 and 11 fathoms water close to the Eastward of them. The patch of Rocks is not a cable's length across, and on one large Rock we had only $1\frac{1}{2}$ fathoms water; there was a considerable swell over them at the time I was examining the Reef in the boat, but no Breakers. Tree Island is known to be very dangerous, and should never be approached under 6 miles or 13 fathoms water to the South Eastward and Eastward of it."
